OBEDIENCE

At Home

God has given you parents to help you to know what is good and right, and to teach you according to His word. Did you know that when you choose to obey your parents, that God gives you a promise?

Ephesians 6:1-3 "Children, obey your parents in the Lord; for this is right. Honor your father and mother (which is the first commandment with a promise), so that it may turn out well for you, and that you may live long on the earth."

That is great news isnt it!! God loves you so much, and knows that if you will trust Him and His word, and walk in His ways, that You will grow in wisdom and will be set up to be successful in this life. He gave you everything you need to know in His word!

So how do you really do when it comes to obedience?

OBEDIENCE

At Home

Sometimes it is easy to obey, especially when you are asked to do something that you want to do.

What is something that your parents ask of you that is easy for you to do joyfully?

Now let's be honest, sometimes it is really hard to obey. When you are doing something really fun like playing video games or playing outside, and you are asked to do your chores, you may be tempted to not go right away, or to have a wrong attitude.

When do you find it harder to obey right away, all the way, and in a happy way?

Do you love God? Do you love your parents?

John 14: 15 says, "If you love ME, you will keep my commandments."

When you choose to obey right away, all the way, and in a happy way you are showing you parents that you truly love them. And guess what, You are also showing God that you love Him, because being obedient to parents is doing what God asked of you in Ephesians 6:1.

Time to GROW!!!

What area do you need to work on so that you have a true heart of obedience?

THANK YOU for downloading this product! I hope that it is helpful as you are training your children in the Lord!

Proverbs 22:6

"Train up a child [a] in the way he should go, Even when he grows older he will not abandon it."

You can use this resource as you would like, but my recommendation is to use it over a two week period. Have them memorize the definition for obedience: Obedience is doing what you are asked, right away, all the way, in a happy way. Also, have them learn their memory verse. Talk about obedience and what it means, and help them to understand that the heart behind obedience is love. Talk about God's word, as you look over the provided scriptures, and share how God gives us His word to show us what is best for us.

Help them to understand that our actions have consequences, both good and bad, and that as their parent, you want them to be able to walk in God's blessings, and experience God's best.

It is truly our privilege to help our children grow, and I hope these pages are a blessing to you and your crew!

In Christ,

Lindsey
